

Technical Requirements: Children’s Progress Academic Assessment (CPAA)

The Children’s Progress Academic Assessment™ (CPAA™) consists of two parts:

1. An assessment (available in a **Desktop** installed version and a **Web-Based** version)
2. Instant reports (fully web-based; no installation needed)

The details below will help you determine how the requirements of Desktop CPAA and Web-Based CPAA align with your technology capabilities.
